

**"I Am the Resurrection & the Life"**

A photograph of an open stone tomb entrance. A large, dark, circular stone is rolled away from the entrance, revealing a bright, golden light emanating from the interior. The surrounding walls are made of rough-hewn stone blocks. The overall atmosphere is one of hope and resurrection.

# "I Am the Resurrection & the Life"

By being the  
"Resurrection &  
the Life," Jesus  
brought the  
doctrine of the  
resurrection out  
of ...

- The shadows & into the Light!
- A book & put it into a person, Himself!
- Out of *only* the future & into the present!
